With 121 Cents to save four Pounds of Coffee !

THIS ESSENCE has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole United States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every lustance, superior to the finest Java coffee.

In order to give full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we annex a few certificates and recommendations, particularly relating to health, from Dr. Booth and Dr. Chilton, practical Chemists and Analysists of the cities of Philadelphia and New York; also, from our Agents, all of whom are prominent Chemists and Druggists.

College Avenue, Tenth st., below Market st., Philadelphia, Sept. 4, 1851.

I have examined the Essence of Coffee manufactured by Hummel, Bohler & Co., and find that its constituents are not in the least degree injurious to health; it may be used freely and with perfect safety.

No. 73 Chambers st., New York, Aug. 22, 1851.

I have examined an article prepared by Messrs. Hummel, Bohier & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it. I find it free not only from any thing injurious to health, but, on the contrary, the ingredients of which it is composed are perfectly wholesome.

JAMES R. CHILTON, M. D., Chemiet, York, Penna., Aug. 4, 1851.

Mesers. Hummel, Bohier & Co.—Gentlemen: We take pleasure in recommending your "Essence of Coffee" as a very superior article; it nextensively used in our county; we have only had it one year, and have sold over 16,000 packages. Our increased patronage has enabled us, during the past year, to open offices in Cincinnati, Louisville, St. Louisville, and New Orleans; these, in connection with our long established offices in Boston, New York, and Baltimore, enable us to offer facilities and advantages which time and experience alone could accumulate, and which we believe are unequalled.

We are prepared to make collections in any of the States, are unequalled.

We are prepared to make collections in any of the States,

Mr. Robert Scars—Dear Sir: I have looked over the entire series of your valuable publications with much interest and profit; and am quite surprised at the amount of literary labor you have performed, and the research it must have cost you to obtain so many fine illustrations, while you have an active superintendence of an extensive business. I am also gratified at the decidedly moral and religious influence which your books will exert, and cannot but hope that they will do much to counteract the effects of that light and immoral literature which deluges the land, and, like the frogs of Egypt, comes up even to the kneading troughs of our kitchens. May you live long to follow your plans.

Respectfully and sincerely, your obliged servant, EDWARD HITCHCACK.
